

Text Giving Commands

The following are a list of commands that the text giving system accepts:

Command	Description
\$50	Donates \$50 to your church. Users can type any amount; the dollar sign is optional (e.g. \$50 and 50 both work).
give \$50	Same as above.
give	Your online giving number will respond asking how much you'd like to give. Telling people to text 'give' to your number can be a more succinct way to communicate text giving.
\$50 missions	Donates \$50 to the missions fund. You can customize fund keywords and what fund they point towards.
\$50 weekly	Sets up a recurring gift of \$50 each week. Frequency options are 'weekly', 'biweekly', 'monthly', and 'yearly'.
\$50 missions weekly	Sets up a recurring gift of \$50 each week to the missions fund. Frequency options are 'weekly', 'biweekly', 'monthly', and 'yearly'.

update	Allows donor to update their payment method or recurring gift. Your text giving number will respond with a link where users can make these changes. ²
unlink	Unlinks a user's phone from the text to give system.

¹ Donors can only refund their own gift with this command within 24 hours of giving the gift. If the previously given contribution started a recurring gift, the recurrence will also be canceled.

² You can only update recurring gifts via text when the recurring gift was established via text giving. To learn how to update non-text-originated recurring gifts visit [View and Modify Recurring Donations](#)
