St. Mark's Has Left the Building Mission Event

Co-sponsored by Service to Others Council and Children & Families Ministry.

This is our 4th Annual Spring Mission event that will take place on Sunday, **April 28** this year.

On the other side of this flyer, there are 15 different mission projects you can sign up for to serve on that day. We are also asking for donations of items for some of our mission projects.

On Sunday, April 28, we will have one, short combined worship service and commissioning of volunteers at 10 am and then we will "leave the building."

Some missions stay at the church, some missions are great for families, and all are welcoming to those experiencing service missions for the first time. We are excited to welcome our neighbors to join us that day as well! We hope that St. Mark's can put God's love in action in the local community.

While they were worshipping the Lord and fasting, the Holy Spirit said, "set apart for me the believers for the work to which I have called them." So after they had fasted and prayed, they placed their hands on them and sent them off. Acts 13:2-3

He said to them, "Go into the world and preach the gospel to all creation." Mark 16:15
