

***Celebrate St. Mark's and invest in the future of the church by purchasing a legacy brick!***

St. Mark's is planning for the courtyard walkway area to be redesigned and reimagined with your help! A designated walkway area will be landscaped and set aside for personalized brick pavers to be permanently placed, setting up an opportunity for all of us to have someone or something honored or memorialized in this beautiful space. Help build a new foundation for the courtyard and also provide long term stability for the church that all of us love. **Net proceeds go toward the St. Mark's Enduring Gifts Foundation general endowment.** For more information on the St. Mark's Enduring Gifts Foundation and its endowment fund, or to buy a brick online, please visit: <https://stmarksmidlo.com/support/endowment/>

***Grow, Live, and Love Brick Campaign***

We are making available for purchase engraved, customized 4x8 bricks. These bricks can be in celebration of special occasions, weddings, anniversaries, births, baptisms, confirmations, graduations, someone who served in the military, your favorite verse, in honor of family or friends or to memorialize an occasion or a loved one.
